MEMORANDUM:

Tue 21 Feb 1912

On the 13th January Mr. [illegible] of our Branch asked for a report from you on the east half of 36-58-15-W. 4th, re surface rights. A report by "A.P." on Mr. Sherwood's memorandum is as follows:

> "Part of the east half of section 36
> "is covered by the Limonite, Yellow Aster
> "and Revelstoke mineral claims. These claims
> "are in good standing and are shown on
> "township plan 58-15-W. 4th. The balance
> "is clear.
>
> "A.P. 17-1-13."

This report is not quite correct. You will see that it states that the Revelstoke Mineral Claim is in good standing. This does not agree with your memorandum of the 21st March last, on file 21542 M.L.& Y, in which you state therein the Revelstoke, Reta and Eva mineral claims have been cancelled, and moreover, your same memorandum stated that the Limonite Fraction, Yellow Aster and Wee-a-man mineral claims have been made to coincide with certain legal subdivisions. A.P's report should have been in accordance therewith.

Please also see the report on file 2544345 from your Branch, signed by the same clerk. His report evidently should have been, legal subdivisions 2 and 7 are included in the Yellow Aster mineral claim, as re-adjusted by Order in Council of the 5th October, 1911.

Please return me with these files, those that are filed therewith and also your file 21542 M.L. & Y.

MEMORANDUM : -

I beg to return, herewith, your Ref. No. 12734, respecting the N.E.¼ of Section 36, Township 58, Range 15, West of the 4th Meridian, and to say that, according to a report received from the Mining Lands Branch, all of Legal Subdivisions 10 and 15 are included in the Limonite Farm Mineral Claim, which claim includes both surface and under rights

There are, therefore, no portions of this quarter section available for Mr. Babiuk, the homesteader of the E.½ of the N.W.¼ of Section 36, and it appears also that his entry, which formerly contained 100.4 acres, is now reduced in area and includes only Legal Subdivisions 9 and 16. I think, however, this matter should be referred to Mr. Rowatt's Branch for a further report.

The attached sketch shows the present standing of the land in question.

Sir,

Re W. ½ 36--58--15 W. 4th M.

Referring to your letter of the 18th December, 1912, I am directed to say that your application to acquire 40 acres of the above quarter-section cannot be considered, as this land is the homestead of Iwan Babiuk.

Your obedient servant,

Department of the Interior,
Ottawa, 9th May, 1914.

The Deputy Minister
of the Interior.

Memorandum:

Your Reference 12,754 below is a report from Mr. N. O. Cote, Controller of the Land Patents Branch, with respect to the North East quarter of Section 36, Township 58, Range 15, West of the 4th Meridian.

Entry was granted for an iron mining location a number of years ago, known as the "Limonite Farm", which conflicted with this quarter-section, and subsequently authority was obtained by Order in Council for confining the mineral claim in question to four legal subdivisions, namely, 10, 11, 14 and 15 of Section 36.

A patent is now in course of preparation in favour of Mr. Short, comprising the West half of the North East quarter of Section 36, as well as the East half of the North West quarter of that section. This patent includes the surface rights and the iron and mica rights, so that it would not be possible to include Legal Subdivisions 10 and 15 in the homestead entry which may be granted to Mr. Babiuk.

As stated above, the patent which is now being issued to Mr. Short was duly approved by special Order in Council.

Respectfully submitted,

H.H.R.

With reference to the cancellation proceedings which were instituted against your Homestead entry for the above described quarter-section on the grounds of failure to furnish proof as to your status as a British Subject, I beg to inform you that the Agent of Dominion Lands at Edmonton has reported your failure to comply with the terms of this office letter addressed to you on the 11th January last, wherein you were allowed until the 1st instant within which to advise him as to what your intentions were with respect to furnishing your Certificate of Naturalization.

As such neglect may be due to an oversight on your part the proceedings in question will be held in abeyance for a further period of thirty days from this date to allow you sufficient time within which to furnish the requisite evidence.

Should you not be heard from within the time allowed your entry may be cancelled and the land otherwise disposed of.

Sir,-

Pt. N.E. ¼ of Sec. 36 Tp. 58 Rge. 15 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Re: Account of Teodor Basistiuk (Basistuke)
N.E. 36-58-15-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1917 and 1919 seed grain amounting to $109.45 was advanced to Teodor Basistiuk on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

Principal	Interest	Total
$ 109.45	$ 230.09	$ 339.54

Patent was issued in the name of Teodor Basistiuk for the N.E. 36-58-15-W4 on the 7th of April 1925, subject to the 1917 and 1919 liens.

In 1928 the land became subject to forfeiture proceedings for nonpayment of arrears of taxes and title was acquired by the Municipal District of Smoky Lake No. 89.

The Municipality has been unable to dispose of the land by sale and it is still abandoned and no longer being operated. As such the land no longer offers any security of value for our liens.

Under the circumstances it is recommended that the indebtedness be cancelled and the liens discharged.

Sir,-

N.W. ¼ of Sec. 14 Tp. 67 Rge. 24 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Sir,-

S.E. ¼ of Sec. 19 Tp. 59 Rge. 2 West 6th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Acting Commissioner

Memorandum:

Request for Title under Order in Council of the 4th June, 1921, where duties completed by soldier settler.

Re: G. W. Christiansen,
S.E.¼ 13-37-7-W.5th (Hd.)

The above described land is the unpatented homestead of the settler.

Subsequent to the initial loan approved in his favour on the 24th September, 1919, the settler secured advances from the Board totalling $1,980.00, as follows: stock and equipment, $1711.75; permanent improvements, $818.25. As security the Board holds a charge on the settler's homestead. The only other land security held by the Board is title to the N.E.¼ 3-37-7-W.5th, the settler's former soldier grant.

The Board is informed that the settler has completed the duties in connection with his homestead, and would be entitled to receive patent but for the Board's charge. This is confirmed by the letter from the Commissioner of Dominion Lands to the settler dated the 15th January, 1930.

The regulations approved by the Governor in Council on the 4th June, 1921, P.C. 1021, enable the Minister, on completion of duties by the settler and on the request of the Board, to vest the settler's right, title and interest in the unpatented Dominion land held by him in the Board, title remaining in the Board until the settler's indebtedness has been repaid. Such transfer of title also enables the settler to hypothecate a sale of the land with the view to repaying the loan he has obtained from the Board.

The settler has signified that title to the land be issued to the Board. There is nothing on file to show that he contemplates discontinuing his farming enterprise. However, the settler desires to have title issued as aforesaid in order that it may be held by the Board as security for the advances granted, and in order to be in a position to negotiate a sale should he decide to do so at a future date.

Under the provisions of the regulations referred to, the Board hereby requests that the right, title and interest of His Majesty in the S.E.¼ 13-37-7-W.5th be vested in the Soldier Settlement Board.

The Board has an effective charge on the land under the agreement to purchase of the settler dated [illegible], and all the elements referred to in the second paragraph hereof exist and the settler is entitled to the full benefits of entry for his homestead.

A similar letter has already been forwarded to [illegible].

Dear Sirs:-

Some time ago I filed upon a Homestead and preemption in the Tide Lake District, the same being the East 1/2 of 6- 19- 10.

The South East 1/4- 6- 19- 10 was granted me as the homestead and the North East 1/4 6- 19- 10 as the preemption.

I was unable to find water on the parcel of land granted me as a homestead, so built my house on the preemption and have lived there the full time, and have made all improvements required thereon.

I would like to have the department, if it is possible, to have the records changed in the records, to read as the homestead, and the as the preemption, as I would like to prove up on the land (Preemption).

Please do so if it is possible for the above change to be made.

Your Ref. 317.

I am in receipt of your communication of the 6th instant in which you advise of certain litigation between your client and Joseph Sadowski, that you have ascertained that Mr. Sadowski is selling his land to the Crown and requesting that the balance due him be not paid until he has satisfied the amount of your client's claim.

In answer I beg to advise you that the Department is not considering any transaction of this matter. Patent to the North-east quarter of the above described half-section has issued to Mr. Sadowski and the indebtedness due by him to this Department is registered against title. The South-east quarter is the unpatented pre-emption, and should it be cancelled it would revert to the Crown without any compensation to the entrant.

THE SUPERINTENDENT,

OTTAWA,

Dear Sir,

I am writing you in regard to the property legally described as Lots 3 and 4 in Block I[illegible] Plan Strathmore [illegible] registered owner JOHN [illegible]. Registered against this property are two Seed Grain Liens Nos.[illegible] and [illegible] dated Oct 10th 1915 and Dec 30th 1916 for seed grain granted to [illegible]. This property is tied up by these Liens so far as obtaining a Transfer of Title is concerned, and it would help matters considerably for both the owner and the Town if you would release this property from these Liens, as they are so old and outdated that it seems a pity to keep them on any longer.

So far as I know [illegible] is dead, and it would be greatly appreciated by all concerned if you would send me a release for the above mentioned Liens, so that the property could be put in circulation again.

Trusting you in anticipation of your favourable consideration of this matter.

Yours Respectfully,

Re: Lots 3 & 4, Block 17,
Plan Strathmore 5894.

We have your letter of the 20th of October, 1950, informing us that there are two Federal liens registered against the above lots in the name of Jos. Sadowski and asking if they might be withdrawn. Although you do not give the amounts of the liens, you apparently refer to those which were originally charged against the E.½ 6-19-10-W.4 and were for advances of seed grain, fodder and relief obtained by the lienee. It is the nature of the 1915 liens that they become attached to any property the lienee may thereafter acquire and our liens are therefore a correct charge against these town lots.

The Seed Grain Adjustment Board is anxious to obtain payment of this account and some payment will be required on the account before the liens can be discharged. However, if you will remit the nominal sum of $25.00 we shall recommend to the Board that these liens be withdrawn from the town lots.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain, fodder and relief amounting to $250.75 were advanced to Joseph Sadowski on the security of the E.½ 6-19-10-W.4th and later became attached to Lots 3 & 4, Block 17, Strathmore, Alberta. No payment has ever been received and the present standing of this account is:-

On the 14th of November, 1951, A.D. Shrimpton, Fairway Market, 701 - E. 4th, North Vancouver, B.C., wrote as follows:-

"Replying to your letter of November 30, lots in question were owned by Joseph Sadowski of Strathmore (since deceased) loan was attached on October 10, 1915, 1820 B.K. and again on December 30, 1916, 256 B.Q.

Dear Sir:

Re: E.1/2 6-18-11-24

This Department has an old account against the above noted land for advances of relief, fodder and seed grain to Joseph Sadowski in 1915. We are anxious to bring our records up-to-date and if possible to settle this long outstanding account. It would assist us greatly if you would be kind enough to complete the attached form.

A self addressed envelope which does not require a stamp is enclosed for this purpose.

This Department has an old account against the above noted land for advances of relief, fodder and seed grain to Joseph Sadowski in 1915.

As we have been informed that this is Crown Land, we should like to be advised of its present standing and whether it is likely ever to be used again for farming purposes.

Yours very truly,

Re: Account of Joseph Sadowski
E.½ 6-19-10-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1915 seed grain, fodder and relief amounting to $270.75 were advanced to Joseph Sadowski on the security of the E.½ 6-19-10-W4 and later became attached to Lots 3 and 4, Block 17, Strathmore, Alta. Order in Council P.C. #119/977 dated the 20th of February 1952, authorized that Lots 3 and 4, Block 17, Strathmore, Alberta be released as security for the liens on the paymentof $25.00 and the balance of the indebtedness to remain as a charge against the E.½ 6-19-10-W4. A payment of $25.00 was received in 1952 and applied to the interest. The present standing of this account is:

Principal	Interest	Total
$ 250.75	$ 438.98	$ 689.73

Patent was issued in the name of Joseph Sadowski for the N.E. 6-19-10-W4 on the 15th of September 1915, subject to the 1915 liens. The S.E. 6-19-10-W4 was formerly the pre-emption entry of the debtor which entry was cancelled on the 4th of August 1926 and the land is still Crown Land held in the right of the Province.

Title to the N.E. 6-19-10-W4 has since reverted to the Crown in the right of the Province under the Tax Recovery Act.

In reply to our questionnaire of the 24th of November 1952, V.A. Ross, Director of Lands, Department of Lands and Forests, Province of Alberta, wrote as follows:

"Kindly be advised that this half section comprises part of the lands held under Grazing Lease No. 31006 by the Tide Lake Grazing Association of Jenner, Alberta, whose lease does not expire until January 1st, 1960.

According to an inspector's report on file this land can only be considered suitable for grazing purposes and it is unlikely that it will ever be used for any other purpose."

The information obtained indicates that the land is unsuitable for farming purposes and no longer offers any security of value for the liens. Under the circumstances it is recommended that the indebtedness be cancelled and the liens discharged.

Preemption - J. J. Flood.
Reference 115765.

I am in receipt of your letter of the 23rd ultimo with Inspector Bowyer's report.

According to the Inspector the preemptor has 65 acres of his homestead and had 160 acres of his preemption under cultivation during the present year. The Inspector, however, does not report the conditions of the crop, which if good or average should enable the preemptor to pay an instalment on account of his preemption.

Please ask the Inspector to furnish a supplementary report setting out why he has recommended an extension of time to pay for the land.

Department of the Interior

Lethbridge, Alta., 1st Sept. 1924.

Sir,-

I beg to advise you that I am in receipt of a communication from the Department regarding the South West quarter of section 28, Town 11 21, Range 1, West of the 4th Meridian, the pre-emption entry of Mr. J. H. Flood. The communication refers to your report of June 24th last, and a request has been made that you furnish a supplementary report showing why you made a recommendation for an extension of time in view of the land being under cultivation and crop.

In your report referred to no mention is made as to the condition of the crop and it is therefore taken for granted that there is an average crop. In such case the pre-emptor should at least make a substantial cash payment, thereby reducing his indebtedness.

OTTAWA 16th October, 1924.

Sir,

S.E.½ 8-21-1 W.4th M.

I am to remind you that cancellation proceedings were commenced against your preemption entry for the above land on the 4th September, 1924, because of your failure to make application for patent within the time prescribed by the Dominion Lands Act.

It would appear from evidence at hand that the settlement duties may be completed and if such is the case and you wish to retain your preemption, you should, without delay, appear with two competent witnesses before the Agent of Dominion Lands, Lethbridge, and make application for preemption patent.

The Forestry Inspector has reported that you are not in a position at present to pay for your preemption and if you will make application for preemption patent showing the required duties performed satisfactorily, the question of allowing you further time to pay for the land will be given prompt attention.

Your obedient servant,

Secretary.

Sir,

Re S.W.¼ 2-21-1-W. 4th M.

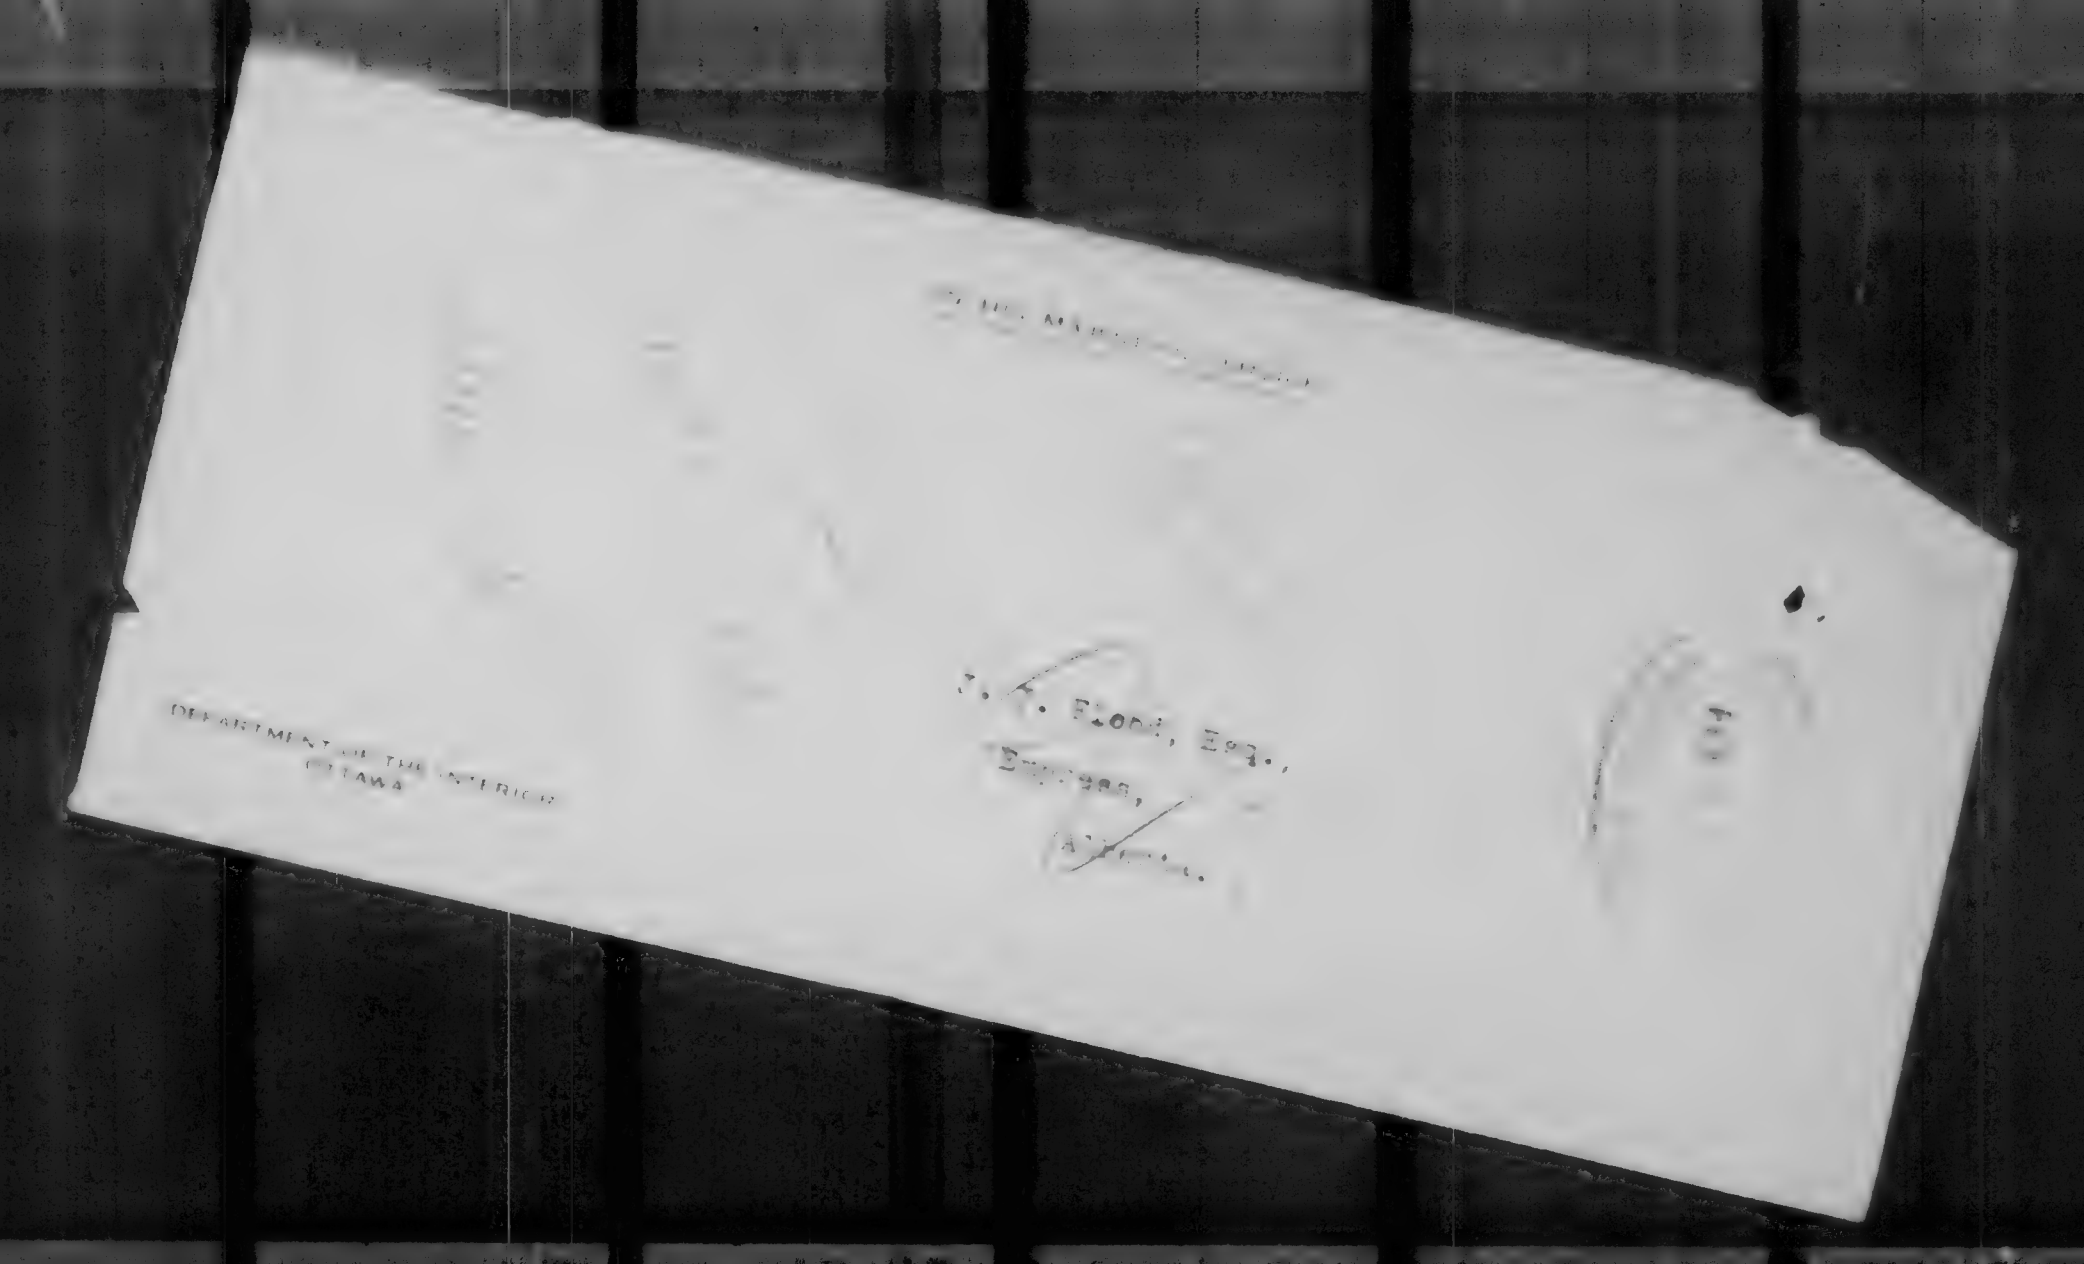

According to the evidence on file in the Department, it appears that you have completed sufficient duties in connection with your pre-emption entry for the above described land to entitle you to make an application for patent. You were advised accordingly on the 4th ultimo and the Agent now reports that you have failed to make the necessary application. The cancellation proceedings outstanding will, therefore, be held over for a further period of sixty days from this date and I might warn you that should you fail to make application for patent, it may be found necessary to take further action in connection with these proceedings.

The fact that you are unable to make the payments due should not prevent you from applying for patent as payment can be made at some future date.

Re: Account of John Joseph Flood
[illegible]

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1917 seed grain amounting to $200.00 was advanced to John Joseph Flood on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

Principal	Interest	Total
$ 200.00	$ 43.78	$ 243.78

Patent was issued in the name of John Joseph Flood for the S.E. 21-1-1-4 on the 4th of September 1917. The S.E. 20-1-1-4 was formerly the pre-emption entry of the debtor whose entry was cancelled on the 19th of June 1915, and the land is still unalienated Crown land held in the right of the Province.

In 1920 the S.E. 21-1-1-4 became subject to forfeiture proceedings for nonpayment of arrears of taxes and title reverted to the Crown in the right of the Province.

The land is situated in a drough area and the soil is described as too sandy for agricultural purposes.

Both quarter sections are still vacant and no longer being operated. It is not assessed as of any value or subject to taxation. As such the land no longer offers any security of value for our lien.

Under the circumstances it is recommended that the indebtedness be cancelled and the lien discharged.

Sir,

Re N.½ 15-13-3-W.4th M.

In connection with your pre-emption entry for the quarter-section above mentioned, in support of which you made application for patent on the 28th March, 1914, I am directed to call your attention to the fact that you are in serious default in the matter of payment of the purchase price.

According to a report from a Homestead Inspector, your homestead and pre-emption have been rented on crop shares, you yourself being in residence upon and farming, as tenant, the South half of Section 16, Township 13, Range 3, West of the 4th Meridian. Under the circumstances, I am to state that your failure to remain in residence upon and farm your land does not relieve you of your statutory obligations in the matter of payment of the purchase price, and unless you furnish the Agent of Dominion Lands at Lethbridge with a satisfactory statement as to your intentions within thirty days from this date, cancellation proceedings will be instituted.

Dear Sir:

Re: S.E. 22-13-3-W.4th.

We have your letter of the 3rd of June, 1953, informing us that there are Dominion liens totalling $197.00 charged against the above land in the name of Henry Miller and asking the lowest amount the Government will accept to discharge the liens. Our account is for seed grain obtained by Mr. Miller in 1919 and 1920. The present standing is as follows:-

Principal	Interest	Total
$ 139.50	$ 236.44	$ 375.94

As Mr. Miller has already made substantial payments on this account if he will remit the sum of $139.50, being the principal amount outstanding only, within a reasonable time it will be recommended to the Seed Grain Advisory Board that this be accepted in full settlement of the Federal indebtedness.

Dear Sir:

We have received an offer of the principal amount of $139.50 in full settlement of the account of Henry Miller charged against the above mentioned land. Mr. Miller's account is for advances of seed grain made to him in 1919 and 1920. The present standing is as follows:-

There are two liens for $57.50 and $139.50 charged against his land. Re: Account of Henry Miller,
NE 15 & SE 22-13-3-W.4th.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1919 and 1920 seed grain amounting to $197. was advanced to Henry Miller on the security of the above mentioned land. In 1927, 1928 and 1929 payments of $32.00, $71.13 and $75.00, respectively, were received and applied to the principal and interest. The present standing of this account is:-

Principal	Interest	Total
$ 139.50	$ 236.44	$ 375.94

On the 3rd of June, 1953, James G. Kidd, Barrister, Medicine Hat, Alberta, wrote as follows:-

"The above bond was registered against some land owned by Henry Miller for advances in 1919 and 1920, against the S.E.¼ 22-13-3-W.4th M. Mr. Miller, who is quite elderly, has decided to sell his farm, and the amount of the bonds if $197.00 with interest at seven percent. In view of his financial circumstances, I was wondering if it would be possible for him to pay off this bond at a very reduced rate. The quarter itself is worth $2775.00, as shown on the title and last valuation which is dated April 7, 1953.

I would appreciate hearing from you at your earliest convenience as to the lowest amount possible which could be accepted in discharge of this bond."

After negotiations the sum of $139.50, representing the principal amount, was been received in full settlement of our account. Under the circumstances and in view of the previous payments made this is considered equitable.

Dear Sir,

re T. Peel - Volunteer Bounty Act 1908
Land Warrant No. 7272

We have just received a letter from the Secretary of the Department of Militia and Defence informing us that this warrant has been issued and requesting us to address all further communication to your Department. We shall be glad, therefore, if you will forward us this warrant.

In anticipation however, of your Department requiring an order from T. Peel, we have sent him a form for his signature. We are not absolutely certain that he may not wish to have the warrant sent direct to himself, and in this case, we might have some difficulty in collecting our charges for services rendered in connection with the warrant, more especially as he is not a resident of Canada. Would it be too much trouble for you to send the warrant to us, or if your rules do not allow this, that you should send it to the Dominion Land Office or other Government Office, nearest to Strathcona to forward it on receipt of the order signed by T. Peel.

Yours truly,

Homestead of Oscar Tollifson (deceased).

Patent applied for by
Ole Tollifson, (Administrator).
Recommended.

According to Letters of Administration on file, this homesteader died in November 1918, and administration of the estate was granted to Ole. Tollifson.

The Administrator has applied for patent in the usual way and claims duties as set out on form 73 A. immediately hereunder.

Although the amount of cultivation performed is not that called for by the regulations, nevertheless, same would appear sufficient in view of Homestead Inspector Horne's report of the 21st ultimo, wherein same is valued at $330.00.

As the application appears satisfactory in all other respects I presume that patent may now issue to the name of the Administrator.

Department of the Interior

OTTAWA, 22nd August, 1928.

Sir,-

E.½ Sec. 25 Tp. 67 Rge. 24 West 4 Mer

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1923, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Fred McDonald, Esq.,
Alliedale,
Alberta.

Acting Commissioner
of Dominion Lands.

Ref.No. 169174.

OTTAWA, 27th September, 1928.

Sir,-

N.½ 4 Sec. 18 Tp. 58 Rge. 27 West 4th Mer.

Referring to your application for the privilege of taking [illegible] second homestead, I beg to inform you that during the present session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Re. Lot 4, Sturgeon Lake.

The eighty acres in question was purchased by the Corporation referred to in your letter from Guillaume Desjarlais in 1909, ~~and~~ who executed in favor of the Corporation the document which we enclose you herewith. The Corporation immediately went into occupation of the land and have been in occupation thereof since that time, having cleared it and continuously cropped it since.
